

Schedule of Staff Meetings with Learning Topics 2003-2004

Survey data at the end of last year indicated consensus interest in continuing the "no meeting week" concept. Please put these dates on your calendars, noting that **all K-12 meetings will be in the auditorium at 7:45**. *NOTE: Any building level that needs to meet in addition to these scheduled dates may do so—please contact your building level principal. Thanks!*
