

## Summer Design Team Data Collection Sheet

Name(s):

Building Level:

1. Please list items you believe should be considered by the Summer Design Team as they develop action plans for the next school year.

a. District-wide Suggestions:

b. Building-level Suggestions:

2. Did you like the format of this year's inservices with time provided for district-wide, building-level, and individual work all linked to our Comprehensive School Improvement Plan? (Circle One)

YES      NO      SOMEWHAT

COMMENTS:

3. Did you better understand different perspectives of our system by working in study buddy triads with each member representing a different building level? (Circle One)

YES      NO      SOMEWHAT

COMMENTS:

4. Do you feel that we need to continue work on our identified staff development topics? (Circle One)

YES      NO      SOMEWHAT

a. If "No", what topics do you feel we should move on to as we train in strategies to improve student achievement around our six identified school improvement goals?

5. Other suggestions for improving next year's staff development opportunities in our weekly staff meetings, study groups, and inservices would be:

Thanks for all you do individually to help fulfill our school system mission: "Through our collective efforts, we are committed to teaching and learning for all."
