Date: _____

To summarize your experiences during the service hours completed, type one paragraph to answer each of questions below. Once those questions are answered, you may add any other information of your choice.

Directions: The topics below are suggested bold-faced headings for your reflections on your service learning project. Feel free to modify these and add others to suit the needs of your individual project. Your responses are expected to be professionally written using these criteria: Clear, Complete, Concise, Correct, and Compelling.

Bold-Faced Questions: (Type the question and then give your response.)

What have you learned about service through your project?

What have you learned about yourself through your service project?

What have you learned about others through your service project?

What career opportunities have you had the opportunity to explore through your service project?

What do you personally feel was most rewarding regarding your service project?

How did your service project benefit others in the community? How was it of value?
